Some great Miſtakes having happened in the Pointing and ſome few Words of the following INSTRUCTIONS, *(being publiſhed in our laſt from a faulty Copy;) we are deſired to reprint them corrected, for the Original was really Faultleſs.*

INSTRUCTIONS of the Inhabitants of the Pariſh of St. Philip CHARLES-TOWN, *to* Benjamin Smith, George Auſtin, John Savage, Peter Manigault, *and* John Guerard, *Eſqrs. their Repreſentatives in Aſſembly.*

Gentlemen,

OUR moſt gracious Sovereign having thought it neceſſary to declare War againſt the *French* King, in Defence of the Rights of his Crown, and the Liberties of his Subjects, unjuſtly invaded by that aſpiring and ambitious Monarch, in open Violation of the Faith of the moſt ſolemn Treaties; We are too nearly intereſted in the Quarrel to wait the Event with an unconcerned Indifference: And eſpecially, as it ſeems now to be the common Opinion, that *America* will be made the principal Seat of War, during the Proſecution of Hoſtilities between the two Crowns.

Whether this Opinion is grounded on ſuch Principles of Policy as can't be miſtaken, We, at this remote Diſtance from our Mother-Country, preſume not to determine: But we think it is not altogether void of Probability; inaſmuch as our Enemies having little or no Employment for their numerous Armies in *Europe*, may be induced to tranſport them beyond Sea, to the endangering all his Majeſty's Colonies and Settlements on this Continent.

This Conſideration alone might therefore be ſufficient to alarm us: But when we reflect on the repeated Intelligences that have been given us, from Time to Time, of the powerful naval Force, and great Armaments collecting ſo near us, as at *Cape François*, and *New-Orleans*, in order to the Execution of ſome ſecret Enterprize: When we attend to the frequent Intimations we have received from various Quarters, with what a jealous Eye our Enemies regard our preſent happy and flouriſhing Situation; and then weigh within ourſelves, how likely it is that this Province may be the Object of their Preparations: Whenever we make theſe Circumſtances the Subject of our ſerious Reflections, and take a View of the State and Condition of our Fortifications, we behold the comfortleſs and melancholy Proſpect with Concern, are uneaſy at the Apprehenſions of an Invaſion, and anxious for the Conſequences with which it might be attended.

Influenced by Motives of public Good, we therefore, in the ſtrongeſt and moſt earneſt Manner, require it of you our Repreſentatives, immediately to take ſuch Meaſures as may be proper to promote the ſpeedy and effectual Repairing and Finiſhing the Fortifications in and about this Town, and the Conſtructing others in ſuch Parts of the Province where the ſame may be judged neceſſary for our Security and Defence, againſt all thoſe, who, envious of the invaluable Bleſſings we enjoy under the beſt of Conſtitutions, dare to diſturb our Quiet and Repoſe. And altho' the Expence incident to this Undertaking may be great, yet we ſhall pay our reſpective Proportions of it, with that Chearfulneſs and Alacrity which will demonſtrate Loyalty to our King, and Love to our Country; and manifeſt to the World, that Civil and Religious Liberty are of ſuperior Eſtimation in the Minds of a free People, to any Conſiderations of Intereſt or Property.

The high Opinion, *Gentlemen*, we have conſtantly entertained of your eminent Abilities, and approved Integrity, and which determined us, in the Election of You, to repreſent us in Aſſembly, gives us Reaſon at this Time to hope, that you will exert your utmoſt Endeavours and unremitted Application upon this important Occaſion, and meet the Thanks of your Conſtituents.

June 25, 1757.

The following, as we correctly printed in our laſt.

INSTRUCTION from the Inhabitants of GEORGE-TOWN, *to* George Gabriel Powell, *and* William Allſton, *Eſqrs. Repreſentatives in the General Aſſembly of this Province for the Pariſh of* Prince George, WINYAW.

Gentlemen,

AT this alarming Juncture, We your Conſtituents can no longer forbear recommending, that you will exert your moſt Abilities in the approaching Seſſions of Aſſembly, to promote ſuch Meaſures as may put this Province in the moſt defenſible Situation; and that you will, on all Occaſions, expreſs our Readineſs to bear our Proportion of the Expence that may be neceſſary for ſo ſalutary a Purpoſe.

With Surpriſe and Concern we find, it is induſtriouſly reported, that this Province already groans under the Weight of Taxes; we cannot omit therefore, of ſhewing our utmoſt Deteſtation of ſuch fallacious and dangerous Doctrines at this perilous Conjuncture.

And we deſire alſo, that you will uſe your beſt Endeavours to procure an Act of Aſſembly to enable us to intrench and palliſade this Town, at our own Expence. By rendering theſe Services, you'll oblige, *&c.*

June 17, 1757.

CHARLES-TOWN, *July* 14.

THE Day after the Publication of our laſt Gazette, *Daniel Pepper*, Eſq; late Agent from this Government in the *Creek* Nation, returned from thence with about 20 Indians, having left every Thing quiet there at the Time of his Departure: The Indians are ſince ſet out on their Return, having received the uſual Preſents, &c. At the Conference they had with the Governor, one of them, who was Brother to one of thoſe ſlain at *Ogeechy* laſt Year, demanded that a white Man ſhould be put to Death here in his Stead, but was prevailed on to deſiſt from that Demand, to acknowledge he had talk'd raſhly to His Excellency in aſking ſuch Satisfaction, and had a larger Portion of Preſents given him, with which he went away well pleaſed.

Our faithful Friends and Allies, the *Chickaſaw*'s mentioned in our laſt, are alſo returned for their Country, extremely well pleaſed.

Laſt Tueſday the Two Veſſels fitted out here to go in Queſt of the *French* Privateer that had appeared on our Coaſt, returned from their Cruize, having ſeen no Enemy.

Our

Our laſt Advices from GEORGIA, are, that the wiſe and prudent Meaſures purſued by Governor *Ellis*, who continues indefatigable in promoting the true Intereſt and Welfare of that Province, have almoſt totally quelled the Hydra Faction; ſo that the public Buſineſs is attended to with remarkable Harmony: That the Aſſembly have enabled him to keep Look-Outs upon the Iſlands which cover the Coaſt, for alarming the Inhabitants upon the Approach of any Veſſels of the Enemy: That by the Bill under their Deliberation for conſtructing of Forts, *Five* are to be erected in different Diſtricts, the principal one at *Savannah*, which is to be ſet about forthwith, under the Direction of His Honour himſelf: And, that a *French* Privateer had been cruizing upon that Coaſt ſome Days, which had chaſed ſeveral Craft, who eſcaped only by running in upon the Banks.

We hear that a Subſcription will be open'd in a few Weeks, by ſome Loyal Ladies in this Town, for fitting out a Privateer to annoy His Majeſty's Enemies; and that they are determined to diſpoſe of all their unneceſſary Jewels and other Superfluities, in order to make their Subſcription the more conſiderable: And they have great Hopes, that the Gentlemen will imitate their Example.

The Military Club in this Town, having appointed ſome of their Members to wait upon the Governor, to ſollicit the Uſe of ſome Public Arms, that they might learn the Bayonet Exerciſe; we are informed, that His Excellency received their Application with his uſual Condeſcention, applauded their Public Spirit, and was pleaſed to aſſure them, that nothing in his Power ſhould be wanting, to promote their attaining a Proficiency in Military Exerciſes. This Club now conſiſts of about 80 Members, and exerciſes every Thurſday Afternoon, on the Parade near Mr. *Linde's* Houſe in *Anſonborough*.

This Day His Majeſty's Ship *Arundel*, fell down into *Rebellion-Road*, in order to proceed for *England*, with the Ships under her Convoy, the firſt fair Wind.

On Friday laſt, a *Letter of Thanks*, ſubſcribed by all the Merchants of this Town, with a handſome Piece of Plate, were preſented to *John Knight*, Eſq; Commander of His Majeſty's Ship the *Arundel*; as a Mark of the Regard they are always ready to ſhew to Officers who honeſtly do their Duty.

We hear, that His Excellency has appointed *Geo. Pawley*, Eſq; Adjutant-General of this Province, in order to review, train and excerciſe the Militia thro'out the ſame; ſuch a very neceſſary Officer having been long wanted.

Laſt Saturday Night came in the North *Poſt, by which we have the following Advices, viz.*

From HALIFAX, — That on the 7th of May, a Party that had been ſent out from Piſguit, returned, and brought into the Fort there about 90 Head of Cattle, which the French had collected to carry off, who betook themſelves to the Woods as ſoon as they found our Party ſuperior to Theirs: And, that 4 Frenchmen were, about the ſame Time, taken Priſoners, near Chignecto; who ſaid, they belonged to an Army of 2000, deſtined for the Reduction of that Fort, which had been diſperſed by many of them periſhing with Hunger and the extreme cold Weather.

From BOSTON, — That on the 11th of May, arrived at Cape-Anne, a Flag of Truce from Louiſbourg, with 73 Engliſh Priſoners; who inform'd, That 29 Engliſh Veſſels had been ſent in there ſince September laſt: That the Gariſon conſiſted, at their Departure (the 3d of May, when there was not one Veſſel of Force in the Harbour) of 2500 Men, who were ſo much in Want of Proviſions [*the Embargo in the Northern Ports having probably prevented the uſual Supplies being thrown in*] that a Part of them offered to releaſe ſome Engliſh Priſoners over whom they were placed as a Guard, provided they would carry them to Halifax in a Privateer at that Time lying there, which the Seamen agreed to, but the Soldiers diſagreeing among themſelves, and fearing to be detected, dropt the Deſign: And, that Bread was at 6 d. Sterling a Pound there, Rum at 20 s. per Gallon, Mutton 40 Livres a Quarter, Geeſe and Turkies 40 Livres a Head, and Wine 6 Livres a Bottle. — That the ſame Day, Advice being received of ſome Veſſels chaſed, the *Province Snow* Prince of Orange, Capt. Dowſe, put to Sea in Queſt of the ſuppoſed Privateer in 5 Hours after. — That the Collector at Rhode-Iſland, had ſeized a Sloop belonging to Peter Simmons of that Place, whereof Peleg Clarke was Maſter, having a Cargo of French Sugars on board, and been trading with that Nation. — That on the 18th of May, the *Province-Ship* King George, Capt. Hollawell, ſail'd on a Cruize: And, that the ſame Day the Privateer Ship Hertford, Capt. Lewis, returned from a 3-Weeks Cruize, with a St. Domingo-ſhip, with whom came out 4 other Veſſels, one of which (a large Snow) was taken by Capt. de Wolf, in a Rhode-Iſland Privateer of 6 Guns and 30 Men, and another was the Sloop ſeiz'd at Rhode-Iſland.

From NEW-YORK. — That on the 22d of May Capt. Ball ſent in there a Snow which he had retaken, called the Enterpriſe, Capt. Gromwell, from Limerick for Barbados: That a few Days before, a Party of Britiſh Troops marching between Fort Edward and Fort William-Henry, were fired upon by a large Body of French and Indians, who killed 4, and took 4 Priſoners: That on the 20th and 27th arrived there, Three of their Privateers, of 12 Guns each, commanded by the Captains Alexander, Grig, and Harris, with Five French Prizes, viz. 3 Letter-of-Marque Ships, of 300 Tons and 14 Guns each, a Snow of 250 Tons, and a Brigt. of 200, laden with Sugars, &c. and one of them with between 80 and 100,000 lb. of Indico on board, all from the Cape, bound for Bourdeaux, &c. which they took, between the 7th and 12th, out of a Fleet of 27 Sail under the Convoy of 5 Ships of the Line and a Frigate: Capt. Alexander had alſo taken a large Scooner out of the Fleet, and ſent her into Bermuda: The Priſoners ſaid, the Men of War were bound for Cape-Breton.

From PHILADELPHIA. — That the Enemy Indians ſtill continue to infeſt their Frontiers, committing all kinds of Barbarities upon and ſcalping the old People, carrying away the Young Captives, burning of Settlements, &c. eſpecially in Hanover, Lebanon, Bethel, and Paxton Townſhips, in Lancaſter County; and alſo in Northampton County. That Scarroyady, with ſome Mohawks, were gone to Fort Auguſta, to ſcour the Woods there, and then proceed to Ohio. That ſome Onondaga Warriors alſo were gone to Fort Cumberland, to join the Southern Indians there, and go in Queſt of the Enemy. And, that the General Aſſembly of Pennſylvania had met on the 30th of May, by Summons from the Governor.

From MARYLAND. — That 190 Lower Cherokee's were arrived at Fort Cumberland: That 62 of them, had been out with Lieut. Shelby from Fort Frederic, and coming upon ſome Tracks of the Enemy on the 11th of May, followed them 'till the 13th, when they found 15 Indians breakfaſting on the Allegany Mountains, upon whom they fired, killed 4, and took 2 Priſoners, with which, and the Scalps, they were returned: And, that on the 19th of May, Major Lewis, with 90 Cherokees and 50 Virginians, went from Fort Pleaſant, in Queſt of the Enemy.

[A SUPPLEMENT.]

Inſurrections, into our Aſſ; &c. And, That on the 13th, Otacite (who was here with the Little Carpenter) with 30 Cherokee Warriors, (one of the Parties which Lieut. Gray inform'd us had gone out) arrived at Williamſburg, on their Way towards Ohio.

And from NORTH-CAROLINA. — That on the 1ſt Inſtant, ſeveral Accounts were received at Newbern, from Virginia, of a Number of French and Indians being arrived in the Neighbourhood of Fort Cumberland, who had thrown that Part of the Country into great Conſternation: That Col. Waſhington had ſent an Expreſs to Gov. Dinwiddie, and was making the beſt Proviſion he could to defend the Fort in Caſe it ſhould be attacked: And that ſome Accounts made the Number 4000 French Regulars, which was however thought to be exaggerated. That the Snow Levant, with Cannon and Stores for the Fort at the Mouth of Cape-Fear River, arrived at that Place the 4th Inſtant, in 7 Weeks from England: And, that one of the Companies raiſing there is ordered in garriſon at that Fort; the other to come here, under the Command of Capt. John Paine.

On Tueſday the *Arundel*, with the Fleet under her Convoy, attempted to put to Sea, but were obliged to put back into *Rebellion-Road*: The *Shirley*, one of Fleet, got aſhore, and received ſo much Damage that ſhe will be obliged to unload.

By Capt. *Roberts* from *New-Providence*, we have Advice, of the Return of the *Ranger* Privateer from an unſucceſsful Cruize: That more Privateers were fitting out from that Iſland: And that a Flag of Truce had arrived there from *Curacoa*, with a general Reclamation of all *Dutch* Veſſels taken by the *Engliſh* ſince the Commencement of the War; that the Diſpatches were addreſſed to all their Exeellencies, Honours, Governors, Commanders in Chief, and Admiralty-Courts belonging to his *Britannic* Majeſty in the *Weſt-Indies*; that ſhe had put the Governor of *Curacoa's* Nephew aſhore at *Jamaica*, with his Diſpatches, and was returned thither to take him on board; whence ſhe was to proceed directly to *Curacoa*, and from that to *England*, that their Embaſſador might lay all their Complaints before the *Britiſh* Miniſtry.

A Veſſel is juſt arrived from *Jamaica*, which left that Iſland the 1ſt Inſtant with 110 Sail of Veſſels chiefly bound for *Europe*: They were convoyed thro' the Gulf, by the *Aſſiſtance*, *Lynn*, *Sphinx*, *Shoreham* and *Rye* Men of War; the 3 former parted from the Fleet laſt Saturday, to return to *Jamaica*, and the 2 latter proceed Home with it. — Admiral *Coats* arriv'd there the 17th of *May*; the ſame Day Martial-Law, which had been proclaimed the 18th of *April*, ſubſided; Admiral *Townſhend* ſail'd for *England* the 27th of *May*, in the *Roebuck*; *June* 3d, the *Lynn* and *Lively* ſent two *French* Privateers into *Port-Royal*, one of 8 Guns and 38 Men, the other of 10 Guns and 88 Men: *June* 20th, Admiral *Coates* ſail'd on a Cruize, who is very active himſelf, and makes others ſo: 21ſt, Arrived Capt. *Hannah*, in 6 Weeks from *London*, who inform'd, that Admiral *Holbourn* had ſail'd for *Ireland* 14 Days before he left *Spithead*, and had with him 22 Men of War and Bombs, 14 of them of the Line; that when he made the *Windward Iſlands*, he fell in with a *Nevis* Privateer, the Commander of which inform'd him, that he had a Man on board who had lately eſcaped from *Martinique*, and made Oath, that 17 *French* Men of War had arrived there, the 10 largeſt of which had ſail'd again for the Cape, and Part of them were ſuch as returned from convoying the *St. Domingo* Fleet: A few Hours before Capt. *Hannah* got in, he ſpoke with and gave the above Intelligence to the Admiral's Tender: The ſame Day arrived Capt. *Miller* from *Philadelphia*, who had been informed by an *Engliſh* Privateer, off *Bermuda*, that the *French* Men of War from the Cape had returned to their Station, and that there were 7 others at *Martinique*: *June* 25th, arrived Capt. *Murray* from *Madera*, who, on the 27th of *April*, ſpoke with the *Lyme*, which had been chaſed by 3 *French* Men of War, and adviſed him to change his Courſe to avoid them; he accordingly did ſo, and got into *Madera* the 9th of *May*, where he found Commodore *Steevens* in the *Elizabeth*, with the *Yarmouth*, *Weymouth*, *Newcaſtle*, *Gibraltar*, and *Queenborough*, and acquainted the Commodore with what had happened, who immediately ordered the *Gibraltar* out to cruize round the Iſland, which was chaſed in by the ſame Ships the next Day; whereupon the Commodore directly put to Sea in Queſt of them; but Capt. *Murray* left that Iſland too ſoon to know the Iſſue of the Purſuit. — Admiral *Coates's* Squadron at *Jamaica*, now conſiſts of the following Men of War, the *Marlborough*, *Edinburgh*, *Dreadnought*, *Princeſs Mary*, *Aſſiſtance*, *Humber*, *Lynn*, *Sphinx*, *Lively*, and *Hornet*.

JUST imported from London, Meditations upon various and important subjects, with short prayers annexed. By *Benjamin Jenks*. With a preface by the Rev. Mr. *Hervey*. An extract from the Preface.

'The several meditations may be regarded as so 'many striking sermons, on the most interesting 'subjects of our holy religion; or rather, as a judicious abridgment of various excellent sermons, on 'almost every branch of christianity. In each of 'which, we have the spirit and energy of a copious 'discourse, contracted within the small compass of 'two or three pages; for which reason I cannot but 'apprehend they may be particularly serviceable in 'the family, as well as in the closet. That one of 'these short essays, distinctly or repeatedly read a'mongst our domestics, may be more advantageous, 'than the hasty perusal of a much larger composition.

'Let me only add, that I know one person to 'whom these books have been highly delightful, and 'eminently beneficial have very much contributed 'to exalt his apprehensions of divine grace, and to 'establish his faith in the blessed Jesus. That they 'may be equally, or rather more abundantly, bene'ficial and delightful to the public, is the wish the 'hope, the prayer of *James Hervey*.
